Description
This route will take you west into the Central Time Zone on some twisty and straight roads. You can bring a lunch and eat at Cherokee Removal Park. This park is located where the Hiwassee River empties into the Tennessee River. This is an all-day ride and we at Smoky Mountain Harley-Davidson hope you enjoy the ride as much as we did. Cherokee Removal Memorial Park is a public park in Meigs County, Tennessee that is dedicated in memory of the Cherokee who were forced to emigrate from their ancestral lands during the Cherokee removal, in an event that came to be known as the Trail of Tears. It was established in 2005, and has since expanded.

This ride is rated at 4 Dragon.
